Sir/Ma'am,

The Department of the Army Freedom of Information Act Office forwarded your Freedom of Information Act (FOIA) request (#14-0148) to the U.S. Army Test and Evaluation Command (ATEC) for direct response. We have carefully evaluated the categories of records that you have requested and determined that we are not the appropriate repository of those records. We are diligently working to identify the appropriate repository and will refer your request to them as soon as possible. We will provide you with a copy of the referral memo when it is transmitted.

If you have any questions, please contact me at the information below.

V/r,

Kristi Lopez
