236

VOTER REGISTRATION APPLICATIONS
 Please respond to the following questions on the state level only.

13. Total number of voter registration applications received from all sources during the period from the close of registration for the November 2002 federal election until the close of registration for the November 2004 Federal election

This information is not currently being collected and reported on a statewide basis.

14. Total number of mail voter registration applications (including state, federal, and military or overseas forms that are accepted) received during the period from the close of registration for the November 2002 Federal election until the close of registration for the November 2004 Federal election

This information is not currently being collected and reported on a statewide basis.

15. Total number of voter registration applications received **in person in the clerk or voter registrars' office** during the period from the close of registration for the November 2002 Federal election until the close of registration for the November 2004 Federal election

This information is not currently being collected and reported on a statewide basis.

16. Total number voter registration applications received from each voter registration agency, including (1) motor vehicle offices, (2) all public assistance agencies that are mandated as registration sites by NVRA, (3) all offices that provide state-funded programs primarily serving persons with disabilities, (4) all Armed Forces recruitment offices, and (5) all other agencies designated by the State (those identified in response to question 8), during the period from the close of registration for the November 2002 Federal election until the close of registration for the November 2004 Federal general election

Motor Vehicle Offices None for any of these agencies.

Offices that provide Public Assistance

Offices the provide State-funded programs primarily serving persons with disabilities

Armed Forces recruitment offices

Other agencies designated by the State

17. Total number of voter registration applications identified in response to questions 14 – 17 that were **changes of address, name or party**

This information is not currently being collected and reported on a statewide basis.

18. Total number of voter registration applications identified in response to questions 14-17 that were **duplicates** of other valid voter registrations

This information is not currently being collected and reported on a statewide basis.

19. Total number of voter registration applications identified in response to question 13 that were invalid or rejected (other than duplicates)

This information is not currently being collected and reported on a statewide basis.

20. How are voter registration applications transferred from other voter registration agencies (see question 16) to the official responsible for voter registration? (i.e. email, VPN, tape, disk, mail, fax)

Voter registration applications are not being received from other agencies.

21. What, if any, training is provided to employees of voter registration agencies on the voter registration process?

No training is required, as applications are not processed by these agencies.

22. Identify any restrictions on the acceptance of voter registration applications such as paper weight, fax, electronic, mail (for non-NVRA states), batch, third-party delivery, etc.

Restrictions apply to faxes, electronic, mail (other than valid absentee requests), batch, and third party delivery.

23. Total number of new valid registrations added to the voter registration lists between the 2002 and 2004 Federal general elections

This information is not currently being collected and reported on a statewide basis.

21. What, if any, training is provided to employees of voter registration agencies on the voter registration process?

No training is required, as applications are not processed by these agencies.

22. Identify any restrictions on the acceptance of voter registration applications such as paper weight, fax, electronic, mail (for non-NVRA states), batch, third-party delivery, etc.

Restrictions apply to faxes, electronic, mail (other than valid absentee requests), batch, and third party delivery.

23. Total number of new valid registrations added to the voter registration lists between the 2002 and 2004 Federal general elections

This information is not currently being collected and reported on a statewide basis.

PROCESSING VOTER REGISTRATION APPLICATIONS
Please respond to the following questions in the space provided below.

24. How are voter registration applications maintained (e.g., paper or computerized)?

Paper Computerized Other

If Other is selected, please specify the method of maintaining records.

Voter applications are maintained on both paper and computer, depending on the practice of the local jurisdiction.

25. How does the registration official check for duplicate registrations?

Currently, officials check for duplicates within their own jurisdiction. Upon implementation of the statewide voter registration system, officials will check for duplicates on a statewide basis.

26. Does your State check for duplicate voter registrations across state lines?

Yes No

27. What type of number is used as a voter registration number (e.g., social security number, unique identifier)? If a unique identifier is used, please identify what method is used for assigning the identified (e.g., random, combination of county number and other number)

- Social Security Number (4 digits) Driver's License Number
- Social Security Number (9 digits) Unique Identifier
- Other

Unique identifier is being implemented in the statewide voter registration system.

28. Are applicants who are rejected notified of the rejection and reason for rejection?

- Yes No

MAINTENANCE
 Please respond to the following questions in the space provided below.

29. How many removal notices (Section 8(d)(2) confirmation notices) were sent between the close of registration for the November 2002 election and November 2, 2004?

Exact figure is not currently collected and reported on a statewide basis.

30. How many responses were received to the confirmation notices identified in response to question 29?

Exact figure is not currently collected and reported on a statewide basis.

31. How many voters were moved to the inactive list?

Exact figure is not currently collected and reported on a statewide basis.

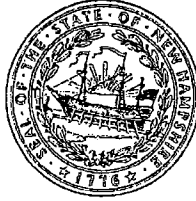

32. How many voters were ultimately removed from the voter rolls between the close of registration for the November 2002 election and November 2, 2004?

This information is not currently being collected and reported on a statewide basis.
